SHINE THE LIGHT ON SICKLE CELL

A national awareness campaign to celebrate World Sickle Cell Awareness Day on June 19, 2021.

We invite you to join with friends, family, neighbors and others in your community, as people around the nation and across the globe, host and hold local gatherings to shine the light on sickle cell disease. Together, we must and will find a universal cure for sickle cell disease!

Interested in organizing and/or attending a “Shine the Light on Sickle Cell” event in your community?
