SiNERGe, together with the Sickle Cell Disease Association of America, Inc. [SCDAA], sickle cell advocacy groups, community-based organizations, hospitals, governments and other key stakeholders in the sickle cell community, is organizing Shine The Light On Sickle Cell – a campaign to celebrate World Sickle Cell Awareness Day as designated by the United Nations.

On June 19th - and throughout the month - individuals and organizations are hosting a number of awareness and advocacy activities across the country [and around the globe].
How to Shine the Light: A Movement

Purpose of Shine The Light

• Increase Awareness
• Build Support Networks
• Highlight the Need for Critical Resources
• Strengthen Our Collective Resolve

...to advocate for access to services and find a universal cure for sickle cell disease
How to Shine the Light: A Movement

History of Shine the Light

• Launched by leaders of Sickle Cell community-based organizations [CBOs]

• Initiated during a meeting convened by SiNERGe CBO [Sickle cell Improvement across the NorthEast ReGion through education] at the SCDAA’s 2018 Annual Conference

• SiNERGe is a multi-state collaborative dedicated to improving care for individuals with sickle cell disease, funded by the U.S. Health Resources and Services Administration

• Initially suggested by Gloria Rochester [Queens Sickle Cell Advocacy Network in NYC] to help celebrate the 10th Anniversary of World Sickle Cell Awareness Day in 2019

• CBO leaders formed a work group to organize people in communities all across the nation and around the world to Shine the Light on Sickle Cell Disease on June 19, 2019

• The impact of the Shine the Light events in the past five years has been so significant that the CBO leaders decided to encourage more community gatherings

Proclamation

Judy Anderson
Sickle Cell Association of Norfolk

WHEREAS, the United Nations has declared June 19th as World Sickle Cell Awareness Day; and

WHEREAS, sickle cell disease is recognized as one of the world’s foremost genetic diseases, and has severe physical, psychological and social consequences for those affected and their families, and in its homozygous form, it is one of the most lethal genetic diseases; and

WHEREAS, the State of Virginia has approximately 5,000 persons living with Sickle Cell Disease of which about 2,500 persons are living in the Hampton Roads region; and

WHEREAS, the Sickle Cell Association, Inc. is organizing a “Shine the Light on Sickle Cell Disease” event to help increase awareness, build support networks, raise critical resources, and strengthen our community’s collective resolve to advocate for access to sickle cell services and a universal cure for sickle cell disease.

NOW THEREFORE, I, KENNETH COOPER ALEXANDER, Mayor of the City of Norfolk, do hereby proclaim, Saturday, June 19, 2021 as

WORLD SICKLE CELL AWARENESS DAY

in the City of Norfolk and urge all citizens to help raise public awareness of individuals and families affected by this disease to ensure they have access to quality, affordable care, and that research of this disease continues.

Given under my hand this 19th day of June 2021.

KENNETH COOPER ALEXANDER Ph.D.

"A leader needs to know his strengths as a carpenter knows his tools, or as a physician knows the instruments at their disposal. What great leaders have in common is that each truly knows his or her strengths and can call on the right strength at the right time."
